

Londonwide LMCs

The professional voice of London general practice

Wellbeing webinars - spring 2022

The webinars aim to support the emotional and psychological health of staff by supporting you in finding your own strategies, tools, and coping mechanisms. These 40-minute interactive webinars are packed with take-home applications. Each webinar is followed by a 20-minute Q&A/discussion session.

The webinars are led by Dr Amrita Sen Mukherjee who is a GP, medical educator and facilitator and a mental fitness and wellbeing coach.

To book please email LEAD@lmc.org.uk with details of which webinar(s) you would like to attend. They can be booked as a course of six or individually, depending on preference. The webinars are free to attend for GPs and practice staff working in the Londonwide LMCs area.
