

Londonwide LMCs

The professional voice of London general practice

Weightmans

The GP Partnership team is led by Partner - Edwina Farrell.

Edwina is a recognised expert with over 20 years experience in advising partnership practitioners in both real estate and the full range of partnership business matters including partnership agreements, partnership mergers, partnership disputes and the admission and retirement of partners. In addition to her work with practices Edwina works with a number of LMCs throughout England and Wales providing advice and assistance in a wide range of GP business matters, and PCN support. The team also work on joint ventures between practitioners and other parties providing health and social care services.

Edwina also advises GPs and other health care professionals on a wide array of partnership property issues with a particular focus on landlord and tenant. Her work also includes the acquisition and disposal of freeholds including shares in the same on partnership changes, and declarations of trust. She has worked on many complex new development projects and premises finance and advice on premises costs entitlements. Her team also deals with property disputes in particular advising on service charge problems, and challenges to CQC reports.

She is a regular contributor in the healthcare press on GP matters and presents at GP conferences on a frequent basis, as well as being ranked in Chambers and Partners as a specialist legal advisor in the field of Medical Partnerships.
