Superfast broadband vouchers worth up to Â£3000 are available.

The government's superfast broadband connection vouchers are still available to small and medium sized businesses in 22 super connected cities across the UK. London is one of the 22 super connected cities. Worth up to £3000, the connection vouchers cover the cost of installing superfast broadband at the business premises. The deadline has been extended to March 2016.

For more information visit www.connectionvouchers.co.uk and choose from an off the shelf pre-registered package or fill in an application online.
