The professional voice of London general practice

Special LMC Conference motions

The motions for the Special LMC Conference 2016 are now public and can be found in the agenda for the day. The conference is on Saturday 30 January at the Mermaid Centre, next to Blackfriars station. We encourage LMCs to fill their allocation of attendees, both to speak to motions and as an opportunity to meet with other GP leaders from around the country.

Two of our LMCs will be proposing motions which we encourage other LMCs to support. Motion 13 will be put forward by City and East London and motion 17 will be proposed by Waltham Forest. A number of other motions proposed by Londonwide LMCs have been incorporated into similar motions, which will be proposed by LMCs from other parts of England.

Michelle will provide an update for all GPs closer to the date.
