The professional voice of London general practice

London GP Registration for Offenders

Londonwide LMCs welcomes the London GP Registration for Offenders initiative, it helps practices deal with the needs of an often vulnerable and challenging group of patients. Offenders have exactly the same rights of access to general medical services as everyone else, but frequently have difficulty in accessing these appropriately.

For more information please see the frequently asked questions PDF on London GP registration scheme for people in contact with the Criminal Justice System.
