

Londonwide LMCs

The professional voice of London general practice

Experia Solutions

Experia Solutions has been operating since 2008, is an organisational development and HR consultancy. We offer customised learning and development programmes which can also be accredited with a Chartered Management institute (CMI) qualification. Our team of associates have extensive experience of working with clients, businesses and organisations within the public sector and in particular the NHS. Our creative and thought provoking workshops enable participants to take new ideas and concepts back to their organisations thereby assisting workplace as well as individual development.
