NHS England Update on Estates and Technology Transformation Fund (ETTF)

Unfortunately, information regarding submission dates for reimbursement claims for NHS England's Estates and Technology Transformation Fund (ETTF) has caused some confusion.

Please note that the submission date change is not related to the recent launch of the 2017/18 London Improvement Grant Fund, and that this process remains unchanged.

This month's NHS England Estates and Technology Transformation Fund (ETTF) reimbursement claim submissions must be in by 17:00 on Monday 22 August.

From September onwards ETTF reimbursement claims must be submitted by the 20th of each month or the preceding working day if the 20th falls on a weekend for PMS, APMS and GMS practices.

If the change in submission date for ETTF reimbursement claims will present your practice with difficulties, please contact the ETTF PMO england.pcif@nhs.net.
