SNAP POLL

The PM has blamed GPs for the A&E crisis and threatened to cut funding to GPs who do not offer extended access. Health Select Committee Chair, Dr Sarah Wollaston responded: "Pretty dismal stuff for govt to scapegoat GPs for very serious NHS pressures."

Jeremy Hunt MP questioned on Brexit impact by Health Select Committee

Jeremy Hunt touched on general practice issues, accusing some GP leaders of scaling back their commitment to seven-day working. He also re-adjusted the Government's 5,000 new GPs figure again, it is now "5,000 extra GPs, or thereabouts by the end of the current Parliament".

Media and public affairs round-up

On 24 January we were quoted in a GPonline story on the effects of closing London's last community urgent dental clinic. On 19 January Camden LMC Chair Dr Farah Jameel was quoted in BMA News who revealed the North Central London STP had spent £2.3m on consultancy fees. We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. We also support practices that are approached with media requests, you can find details of how to get support here.
