The professional voice of London general practice

February 2017 newsletter

Workforce survey

Our latest survey of London GP practices found that 30 are considering closure, nearly half have a vacancy and 45% expect a GP to retire in the next three years.

Media and public affairs round-up

On 16 February we provided media training to another four LMC members, please contact us if you would interested in media training. On 9 February we wrote to London MPs and Assembly Members to tell them about our workforce survey results.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. We also support practices that are approached with media requests, you can find details of how to get support [here](#).

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 15 March.

Downloaded your resources from our GP State of Emergency website.
