Workforce survey

Our latest workforce survey will be arriving with practices via email next week. A strong response rate enables us to raise workforce issues with commissioners, political leaders and the media, so please take time to complete it.

‘Innovative and interesting’ HCA course now incorporates the 15 Care Certificate Standards

The Londonwide LMCs' GP Health Care Assistant programme now incorporates the 15 Care Certificate Standards as part of the six month training course. The course is a blended learning programme that covers topics such as infection control, working with children and vulnerable adults and immunisations. The practical online modules are complemented by two face-to-face taught days.

Media and public affairs round-up

Pulse covered Londonwide LMCs' CEO Dr Michelle Drage's concerns about the new GP at Hand smartphone app as did GP Online. Pulse quoted Londonwide LMCs' Medical Director, Dr Elliott Singer, in an article about missing pathology test results in London. Dr Naureen Bhatti of Tower Hamlets LMC wrote a piece for the Guardian about the potential impact of GP at Hand.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. We also support practices that are approached with media requests. You can find details of how to get support [here](#).

Check out the latest deals from the Buying Group and our affiliates

Londonwide Buying Group is available to all London practices giving access to a number of pre-approved suppliers offering discounts on a wide range of goods and services from medical equipment to vaccines and much more.

Our Buying Group suppliers currently have a number of season flu vaccine offers available.

Our affiliate Docmail are holding their Flu Hero competition.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 10 Dec.
