GDPR latest news

The Information Governance Alliance (IGA) have released a guidance document called 'the key points for GPs'. The document includes a myth busting section, information on the Data Protection Officer (DPO), Subject Access Requests (SARs), data protection fees and a checklist. You can download the guidance [here](#).

We also want to know about your preparation for GDPR which comes into force next month. Please spare us five minutes to complete our quick survey [here](#).
