The professional voice of London general practice

## Tips of the month September 2018

We provide weekly tips based on common queries which come through to us from London GPs and practice teams. These are shared via social media and collated for this newsletter.

2/2 Any change in partnership must be notified to the CQC, if the practice is currently single handed then you will need to apply to change the status of the practice from single handed to that of a partnership. You must also notify any change of registered manager to the CQC.
