Student MMR and MenACWY

Practices are likely to see increased demand for student vaccinations, with larger numbers of students living in the family home and lower childhood vaccine uptake among those age cohorts starting university.

Also this month...

BMA survey of Docman problems

The BMA are asking for practices to provide information on the volume of correspondence in their 'unprocessed' Docman folder and how long it will take them to go through it. Responses will be used to push for some degree of reimbursement for the additional work created through the Docman error.

Media and public affairs round-up

On 17 September Dr Michelle Drage, Chief Executive of Londonwide LMCs, appeared on BBC Radio 2, debating the Health Secretary's call for GP at Hand to be rolled out across the country. On 10 September Michelle took part in Sky News's morning newspaper review. On 6 September Michelle was quoted in GPonline, responding to the Health Secretary's speech to the NHS Expo. On 5 September our response to the NHS England consultation on digital-first providers was mentioned in the BMJ. On 31 August Michelle was named as the 18th most influential GP in the UK by Pulse's Power 50 listing.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. We also support practices that are approached with media requests. You can find details [here](#).

New partner Surgery Connect provides GP telephony that meets the current and future needs of primary care and delivers time and cost efficiencies across general practice.

There are now four Buying Group partners: Miab, MidMeds, Practice Index and Surgery Connect.

Don't forget that all practices are eligible to access Londonwide LMCs's Buying Group services. Contact buyinggroup@lmc.org.uk or visit the Londonwide LMCs's Buying Group webpage for further information.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 10 October.
