

# Londonwide LMCs

The professional voice of London general practice

## Keep us up to date so we can represent you

You should have received an email from us around midday on Friday 2 November with this subject line:

“Keep informed by keeping us informed (SSE/NWL/NCNE)”

This email contains our current records for who works at your practice, it would be really helpful if you could update the grid in the email which has been sent to you and return it to the contact email address, provided in the signature on the email.

By giving us up-to-date contact details you enable us to send out relevant guidance and updates to you and your colleagues. This information also means we have a better understanding of the make up of the teams working in each practice we represent.

If you cannot find this email in your inbox please email the following contacts and ask them for a copy:
