Media and public affairs round-up

On 7 January Londonwide LMCs' CEO, Dr Michelle Drage, was quoted in Pulse and GPonline, responding to the announcement of the NHS Long Term Plan. On social media we have been highlighting groups and schemes in London which support people to get healthy, as many try to keep to their New Year's resolutions.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details [here](#).

Don't forget to use the Londonwide LMCs' Buying Group flu vaccine offer for 2019/20 to benefit from the discounted deal for practices.

The Buying Group is available to all London practices and gives access to discounts on a wide range of goods and services from Miab, MidMeds, Practice Index and Surgery Connect.

Contact buyinggroup@lmc.org.uk or visit the Londonwide LMCs' Buying Group webpage for further information.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 13 February.
