August 2019 Newsletter

Support for Primary Care Network Clinical Directors

The introduction of the PCN DES means significant changes in the way practices deliver some existing services, and the roll-out of a new range of services. Londonwide LMCs is well placed to support PCN Clinical Directors (CDs) in managing and navigating these changes.

'No Deal' EU exit impact survey

It is now a strong possibility that the UK will leave the EU without any transitional arrangements. We are keen to understand how this could impact on practices' supplies of medicines, products and staff.

Londonwide LMCs' Annual Conference

Tackling social isolation and loneliness to improve health

Colin Brown, UK Director for Independent Living and Crisis Response at British Red Cross, looks at how their expertise will be of use to social prescribing link workers as they take up their roles with PCNs.

Also this month...

Safeguarding payments and collaborative arrangements

Dr David Geddes, NHSE & I Director of Primary Care Commissioning has advised CCGs and STPs that payment for safeguarding activity is not covered by core NHS contracts and should be payable via other mechanisms.

Vaccination update

Babies born to mothers infected with hepatitis B require a course of hep B vaccinations from their GP, administered at 4, 8, 12 and 16 weeks of age, NHS England have provided refresher guidance on this. Practices should now also be receiving vaccination reminders via the Child Health Information Services 2 GP (CHIS-2-GP) notification project.

Remember to use BEAM to LMC to highlight the pressure you are under

Our BEAM to LMC mobile app, which enables you to tell us about the pressures you are under from commissioners and others, is proving popular. Make sure you check the app for push notifications.

Media and public affairs round-up

On 6 August, Dr Michelle Drage, our CEO, was quoted in a Pulse article, covering the scrapping of the PCN Accelerator scheme. On 1 August Michelle appeared on Sky News, talking about the importance of vaccinating children.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details [here](#).

Don't forget to read the latest Londonwide LMCs' Buying Group Newsletter.

The Buying Group is available to all London practices and gives access to discounts on a wide range of goods and services from Miab, MidMeds, Practice Index and Surgery Connect.

Contact buyinggroup@lmc.org.uk or visit the Londonwide LMCs' Buying Group webpage for further information.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 11 September.

Download your resources from our GP State of Emergency website.
