Tips of the month September 2019

We provide weekly tips based on common queries which come through to us from London GPs and practice teams. These are shared via social media and collated for this newsletter.

Everyone involved in the administration and giving of flu jabs should be familiar with the cold chain in relation to the storage of vaccines, it's unfortunately a common issue in CQC inspections. #TipOfTheWeek <https://t.co/wPtS8BdFmz>
