Londonwide LMCs' Annual Conference

Covering sexual health in consultations

Kirsty Armstrong is an advanced nurse practitioner in out of hours, primary and urgent care and a lecturer in primary and urgent care, along with leading our Sexual Health Update days. For Sexual Health Week, she shares her advice on how to raise sexual health in consultations and highlights some hot topics, including grooming and travel health.

Remember to use BEAM to LMC to highlight the pressure you are under

Our BEAM to LMC mobile app, which enables you to tell us about the pressures you are under from commissioners and others, is proving popular. Make sure you check the app for push notifications.

Media and public affairs round-up

On 11 September Dr Michelle Drage, our CEO, appeared on Sky News explaining how cuts to services mean GPs have fewer options when considering prescribing long-term medications. On 9 and 10 September Michelle was quoted in the BMJ and GPonline , respectively, speaking about the impact of further referral restrictions in North West London.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details here.

The Buying Group is available to all London practices and gives access to discounts on a wide range of goods and services from Miab, MidMeds, Practice Index and Surgery Connect.

Contact buyinggroup@lmc.org.uk or visit the Londonwide LMCs' Buying Group webpage for further information.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 9 October.

Download your resources from our GP State of Emergency website.
