The future role of general practice

We are grateful for the offers of help with our research project which is looking at the ongoing and future need and role for general practice. By way of background, this paper by Lisa Harrod-Rothwell, our Deputy CEO, sets out our views on the unique value of general practice.

Healthcare professionals asked to register for Covid-19 vaccine trials

The Government have issued a call for more people to join the NHS Covid-19 Vaccine Research Registry. Researchers are asking for people from all parts of society to participate in the study, especially the over 65s, frontline health and social care workers, and those from BAME backgrounds.

Media and public affairs round-up

On 4 August Dr Michelle Drage, our CEO, was quoted in in a GPonline article on NHS England's plans to restore general practice services which had been suspended to create capacity to manage Coronavirus.

We are currently seeking GPs with specialist expertise in cancer care to take part in short interviews for an upcoming campaign, get in touch via the contact details below if you are interested.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details [here](#).

The Buying Group is available to all London practices and gives access to discounts on a wide range of goods and services from Miab, MidMeds, Practice Index and Surgery Connect.

Contact buyinggroup@lmc.org.uk or visit the Covid-19 supplies update for further information on flu vaccine, PPE and other infection control supplies.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 11 September.
