Department for Health and Social Care regulation consultation

The DHSC is currently consulting on proposals to reform the regulation of healthcare professionals. In general terms there are a number of positive proposals, particularly in relation to the proposed changes to the fitness to practise procedures.

Remember to use BEAM to LMC to highlight the pressure you are under

Our BEAM to LMC mobile app, which enables you to tell us about the pressures you are under from commissioners and others, is proving popular. Make sure you check the app for push notifications.

Media and public affairs round-up

On 17 May Dr Michelle Drage, our CEO, had her message to London practices regarding the NHS England face-to-face access letter covered by the HSJ and GPOnline. On 30 April, Dr Lisa Harrod-Rothwell was quoted in a Pulse article on practice closure statistics, which was also widely syndicated via a press release. 21 August is Cycle to Work Day, we are collecting photos of general practice staff out and about on their bikes to highlight the importance of being active, if you would like to send us a photo please do via info@lmc.org.uk.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details [here](#).

The Buying Group is available to all London practices and gives access to discounts on a wide range of goods and services from Miab, MidMeds, Practice Index and Surgery Connect.

Contact buyinggroup@lmc.org.uk or visit the [Covid-19 supplies update](#) for further information on flu vaccine, PPE and other infection control supplies.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 11 June.
