## **Data Security and Protection Toolkit deadline - 30 June 2021**

Practices need to demonstrate their compliance with the Department of Health and Social Care's data security and information governance requirements by the end of June.

This is achieved by submitting a self-assessment using the Data Security and Protection (DSP) Toolkit, an online tool that replaced the IG Toolkit in April 2018.

The deadline for the 20-21 submission is 30 June 2021.
