The professional voice of London general practice

LMC elections 2021 - results

Voting in the 2021 LMC elections closed on 27 July 2021.

The results are listed below.

Congratulations to all those GPs who have been elected. We look forward to working with them over the course of the next two years as we continue our work to secure the future of general practice in London. Newly elected and re-elected LMC members have received forms and accompanying documents to read and return. It may also be helpful to ensure that inaugural LMC meetings are put in diaries.

Over the coming weeks there may be opportunities to co-opt nurse, practice manager and VTS representatives to LMCs, the latter in cases where a GP trainee has not already been directly elected to an LMC. Now is also a good time for anyone working in London general practice to raise issues they would like to see their LMC taking forward over the coming months.
