

Londonwide LMCs

The professional voice of London general practice

Patient engagement project survey findings(15 Jun 2017)

Londonwide LMCs' patient engagement survey, conducted in autumn 2016, identifies the broad spectrum of both practice and patient experience of Patient Participation Groups (PPGs) across the capital. The survey went...[Read more »](#)

Working with the third sector to support PPG development(15 Jun 2017)

The Patient Engagement Project hosted a roundtable event in winter 2016 to which third sector patient organisations were invited to hear about and debate the key themes identified by the...[Read more »](#)

Patient engagement resources for practice teams and PPGs(05 Jun 2017)

The Patient Engagement Project resource and signposting list includes links to free, practical “how to” information and toolkits on developing and sustaining PPGs,...[Read more »](#)

Contractual requirements relating to PPGs(02 Jun 2017)

Since April 2015 it has been a contractual requirement for all practices to develop and maintain a Patient Participation Group (PPG) for the practice to obtain feedback from the practice...[Read more »](#)

Patient Engagement Project(02 Jun 2017)

Londonwide LMCs’ Patient Engagement Project was built on the principle that patient engagement is integral to high quality, sustainable general practice. The project has developed tools and resources for London...[Read more »](#)
