

Londonwide LMCs

The professional voice of London general practice

Introduction to Practice Finance Module

Who is it for?

Practice managers
Finance managers
Business managers
Operational managers
GP partners

Who are new to general practice or expecting to take on a role in the financial management of the practice.

How does it work?

One online module
One full day taught day*

*taught days are currently being delivered by Zoom.

Students will have a maximum of 6 months access to the online content. Both the online unit and the taught day must be completed within this time limit to be eligible for the certificate of completion and the 10 CPD hours.

What does it cover?

Understanding the different income streams coming into general practice
Monitoring and maximising practice income
Controlling costs and working effectively
Calculating staff costs
Costing new services
Understanding practice accounts and accounting terminology
The importance of financial governance and probity

Entry requirements:

Suitable for practice managers / finance managers / business managers / operational managers who are new to general practice or expecting to take on a role in the financial management of the practice.

GP Partners who are new to partnership or new to a financial role are more than welcome to attend.

A practice manager who lacks confidence with finance.

Students will need to have access to email.

What does it cost?

The course cost £160 + VAT for the module.

To find out more about this course or to request an application form, please visit Londonwide LMCs' learning hub or contact the Programme Manager at gpmtraining@lmc.org.uk.
