

Londonwide LMCs

The professional voice of London general practice

Training

Due to the current coronavirus (Covid-19) pandemic our programme of LEAD events will be provided as webinars until further notice. Our mode of delivery is being constantly reviewed in light of social distancing.

Please check this page for further updates.

LEAD was set up to provide affordable, high quality training and educational events for practice teams. LEAD events are well received, have a great reputation and are run on a not for profit basis to keep costs to practices to a minimum. The fee covers training provider and venue expenses.

The LEAD events team is always keen to hear what training is really needed on the ground, so please do get in touch with any ideas you have by emailing lead@lmc.org.uk. We would like to hear from you.

Below are the latest LEAD events. Please take a look and see whether anything catches your eye

All events take place at a central London venue (unless otherwise specified) and will incur a fee per delegate for attendance (inclusive of VAT).
