The professional voice of London general practice

General Practice Nurse Training Programme

This unique blended learning programme has been written by experienced practice nurse educators for practice nurses. The course is academically accredited by Middlesex University, 20 credits at level 6.

Who is it for?

Registered adult nurses

Nurses entering general practice for the first time

Practice nurses wishing to update their skills following a break

Those on a career path within a practice or those who are nurses in another field and looking to follow a career in practice nursing.

How does it work?

The programme is made up of various components:

Eight online units with multiple-choice questions

Two full day taught days

One practice-based competency document

One 4,000 word written project.

What does it cover?

Finding your feet in general practice

General treatment room skills

Emergency situations

Immunisations and vaccinations

Long-term conditions

Sexual health

Mental health

Career development

Entry requirements:

Be a registered adult nurse

Have placement time within a practice with an appropriate contract/agreement

Be supported within practice by being given time to attend both taught days

Be supported within practice by being assigned an experienced practice nurse who mentor the student and sign off the competency document

Have a good level of English

What does it cost?

The cost of the programme is £1200 plus VAT for the one year course.
